Come my friend  
Give me a hand  
Come along with me  
To this foreign land  
We'll go together  
Cross the desert sand  
To the place of the sphinx  
And the Egyptian man

Dancing girls  
All around my feet  
What a better way  
To beat the heat  
Exotic music  
Rings out like a bell  
Hypnotic rhythm  
Puts me in a spell

Come my friend  
Give me a hand  
Come along with me  
To this foreign land  
We'll go together  
Cross the desert sand  
To the place of the sphinx  
And the Egyptian man
