I've been wait'n girl to get you alone  
And slip into your sexual zone  
For so long we've been only friends  
For so long had to just pretend

But, this is the time  
This is the place  
This could be our magic moment

So give me your love  
Give me your touch  
And look in the eyes of a stranger

CHORUS:

In the eyes  
Eyes of a stranger  
In the eyes  
Eyes of a stranger

Your body's so hot in my hands  
Gonna do it to ya—slide it in  
I'll show you every inch I'm a man  
Then I'll get it up and do it again

This is the time  
This is the place  
This is what dreams should be made of

So give me your love  
Give me your touch  
And look in the eyes of a stranger

CHORUS
