Been so long since I've seen you smile  
The way you used to do  
Something's changed and it's hard to tell  
If it's me or it's you  
Words come hard after all this time  
You see there's nothing left to say  
Let's face it, baby, though we really tried  
You know we can't go on this way

CHORUS:

Let me go  
Let me go  
All I want from you is just to  
Let me go

Once lovers, now we don't touch  
Making love don't mean a thing  
Even close we're so far away  
Only time will ease the pain  
Ain't no use in ya hangin' on  
Why don't you just let it be  
Hate to say it but there ain't no way  
Time for you to set me free

CHORUS (REPEAT)
