Say, baby, yeah I'm talkin' to you  
I'm gonna tell you somethin'  
You know what I need, woman?  
I tell you what I need  
I need respect!  
And I'm gonna get it, baby

I was the bad boy of my neighborhood  
Lift the girls' skirts just to show I could  
Learned that to succeed you've got to have a plan  
I'm not always right, but that's the way I am

I move so fast, almost the speed of sound  
Some still are dreaming while I'm gaining ground  
I want the best that life has to give  
So I'm gonna take all that I can get

CHORUS:

It's my way or the highway  
That's the only road you can take  
Well it's my way or the highway  
Gotta do it my way or no way at all  
No way, no way at all

I am the ruler of my destiny  
I found that nothing comes easy or free  
If you want respect, you gotta be your own man  
Not everyone is gonna understand

Only gonna pay for my own mistakes  
And I believe you gotta make your own breaks  
Choose my own roads, exits, and turns  
If you're gonna ride with me, then you gotta learn

CHORUS (REPEAT)
