Shake it, shake it, shake it, shake it, shake it yeah

Well I'm all fired up and I'm getting really ready to burn
If you think I'm staying home, you know you gotta gotta lot to learn
Everybody's jammin' tonight, gonna smoke this town
Can't take it? Don't want you hangin' around
Oh, well I'm ready right now

CHORUS:

Shake it loose, shake it loose
On the run, yes, we're havin' fun tonight
Shake it loose
Ridin' high

Havin' so much fun, must be against the law
'Cause the music's so loud it's putting cracks in the wall
Ain't leavin' 'till I'm weavin', and I ain't even started yet
Get wild and insane as you can get
Oh, well I'm ready right now

CHORUS
