I once had a lover  
Jealous as the day is long  
Suspicious mind all the time  
Had to be movin' on

Had a girl back in Oakland  
She was hot but her heart was cold  
It was all about the money  
All about the show  
I had to hit the road

CHORUS:

Somebody, somewhere  
Somebody for me  
Somebody out there  
Somebody for me

Oh, there was Suzy  
Oh, she could talk so sweet  
But she never told me  
'Bout her matrimony  
Her man 'bout crucified me

I love all the women  
Maybe I'm best off alone  
No, I'm not complaining  
All I'm just sayin'  
It's hard on the road

CHORUS (REPEAT)
