She's a crazy lady  
She don't put up a fight  
She keeps me rollin' and a tumblin'  
And she squeeze me tight  
She knows every little trick in the dirty book  
I don't ever want to leave her  
'Cause I love to please her

CHORUS:

Oh, feels so good  
Squeeze

She's an easy woman but she gets me hard  
This honey pie can't go too far  
She keeps a humpin' and a pumpin' till I lose control  
My little baby's got so much soul

CHORUS

She's a crazy lady  
She don't put up a fight  
She keeps me rollin' and a tumblin'  
And she squeeze me tight  
She knows every little trick in the dirty book  
I don't ever want to leave you  
'Cause I love to please you

CHORUS
