

## Take It Like A Man

Oh, now baby  
How'd we get this way  
What's in your eyes  
Are all the things that you won't say

Oh now what am I to do  
When there's no reply  
And all that I'm left with is the pain

CHORUS:

How can I take it like a man  
When I know that I'm losing you  
I've given everything I can  
Now, is there nothing more that I can do  
Just to keep me from losing you

Down on my knees  
How can I show you more  
Why is it so hard to see  
That what we have is worth fighting for

Well, I could search all my life  
But I'd never find  
The kind of love that I have for you

CHORUS:

How can I take it like a man  
When it comes down to losing you  
I've tried everything I can  
Now is there nothing more that I can do  
Cuz, I know it's worth it, baby

In my heart I can feel that you're afraid  
To let me know what's going on inside  
Well, I need to take you the rest of the way  
But you're letting go, giving in  
To all the fears you try to hide

Oh, now what am I to do  
When those lonely nights  
Leave me so empty inside

CHORUS:

How can I take it like a man  
When I know that I'm losing you  
And I'll never understand  
Why there's nothing more that I can do  
Cuz, there's no life living without you
