Another hell week coming down on me
Good time for wasting my time
My mind keeps flashing "no vacancy"
I think I'd better take it offline

Well, I don't want to take on the world today
Let someone else take the prize
I'm so outta here, I'm gonna leave it
Leave it behind, far behind

CHORUS:

And I'm gonna take my time
Oh, and give a little back to myself
I'm gonna take my time
'Cause I need the simple life once again

Kickin' back with my feet up
While I watch the suits walkin' by
Some car is blastin' "Rescue Me"
Well, I guess it must be a sign

Well, someone said, "these are the good years"
Well, I better start making mine
Hey señorita, one more margarita
And I'm feeling fine, wasting time

CHORUS:

I'm gonna take my time
And spend more time hangin' with my friends
I'm gonna take my time
'Cause I need some time to catch my breath

Time can be prison
That keeps you locked up inside
And time is freedom
Freedom to fly, and I'm flyin' high
